

## DISTRICT 7 A&E CONTRACT OUTREACH

Caltrans District 7 invites you to participate in a “Outreach” event for two upcoming Architectural and Engineering (A&E) contracts. The information will be provided about the contracts and the selection process.

The SB, DVBE, and/or DBE firms are encouraged to attend, as this meeting is an opportunity to meet directly with several perspective prime consultants that have received Caltrans contracts and gain insight about what they look for in qualified subconsultants. This event will include:

- Scope of work for two construction contracts:
  - Roadway Construction Inspection
  - Landscape Construction Inspection
  - Construction Scheduling Support
  - Office Engineering Support
- Presentations from Caltrans Division of Procurement and Contracts (DPAC) to discuss A&E selection process.
- Question and Answer session.
- Opportunities to meet with perspective prime consultants and subconsultants to exchange information.
